

**TOWN OF SWANTON  
SELECTBOARD MINUTES  
Swanton & Fairfield  
SPECIAL JOINT MEETING  
Fairfield Town Office Building  
Fairfield, VT 05455  
*Monday, October 14, 2013 @ 7:00 p.m.***

Present: Chairman John Lavoie; Vice Chair Dan Billado; Joel Clark, and Dick Thompson, Selectmen; Road Foreman Harold Garrett, Town Administrator David Jescavage  
Fairfield Selectboard, Fairfield Town Clerk

**1. Call to Order**

Fairfield Chair called the meeting to order at 7:00 p.m.

**2. Road Plowing Discussion**

The Fairfield Chair asked Chair Lavoie what the purpose of the meeting was. Chair Lavoie explained that in the swap of plowing of town roads in Fairfield and Swanton by the respective road crews, it was costing Swanton more in man hours and money than what Swanton was getting in return for the Swanton roads that Fairfield plowed. Therefore, Swanton would like to return to just plowing its roads and have Fairfield plow Fairfield Roads. The Fairfield Selectboard agreed with the proposal.

Members of both Selectboards engaged in a general conversation about town matters and issues of common interest.

Dick Thompson moved to adjourn the Swanton Selectboard's meeting at 7:45 p.m., seconded by Dan Billado. Motion approved.

The Fairfield Chair thanked the Board for attending their meeting. Chair Lavoie thanked the Fairfield Board for meeting with the Swanton Board.

Respectfully Submitted,

David Jescavage  
Swanton Town Administrator
