Mr. Lafont added that the bid took into account the need to seal the longitudinal joint on one of the roads.

The Selectboard agreed to have a special meeting to go over the bids and make a decision.

### **4. Old Business**

#### **a) Public Hearing for Cedar Ledge Estates Road Acceptance**

Mr. Billado stated that Mr. Clark and Mr. Garrett (Road Commissioner and Road Foreman) had visited the site together and given a recommendation to the Selectboard. The Selectboard had just completed a site visit of Cedar Ledge Estates prior to this meeting.

Each Selectman affirmed that, aside from minor concerns, the development and road was in great shape and met Town standards, and commended Mr. Jay Meunier for his excellent work. Mr. Thompson made a motion, seconded by Mr. Lavoie, to accept Cedar Ledge Estates as a Class 3 Town road. Motion carried unanimously. Mr. Jescavage informed the Cedar Ledge Estates residents that the paperwork with the state would take a few months to complete.

Mr. Jescavage stated that he had emailed pictures of the improper signs to the appropriate state official two weeks ago and, having not heard back from him, would follow up.

## **5. Community Development**

### **a) Swanton Library Presentation by Rebecca Rupp**

Rebecca Rupp and Michelle Beaulieu came forward. Mrs. Rupp explained that she was now the chairperson of the library, and updated the board on some changes: the removal of the pillars out front, the saving of the bee colony in the pillars, and the hiring of a new library director (Ms. Beaulieu). Both women explained that they wanted to make the library a community-centric place, with a range of active programming for all ages. Ms. Beaulieu especially wished to engage seniors, and encourage cross-generational socialization. Mr. Billado suggested working with the Swanton Enhancement Project toward some of their goals. Mrs. Rupp agreed, adding that the library was already connected with the Swanton Arts Council.

The Selectboard informed Mrs. Rupp and Ms. Beaulieu to feel free to come to the Selectboard with any requests or needs; the Selectboard wished to work with them to ensure an active library community and a well-maintained facility. Mr. Jescavage mentioned an upcoming preservation trust workshop that dealt with historic libraries.

The Selectboard thanked Mrs. Rupp and Ms. Beaulieu for their work.

## **6. Law Enforcement**

### **a) Swanton Village Police Chief Report**

Chief Stell reported 49 incidents in the Town for the month of April, with 7 traffic tickets and a fine amount of \$1290. He said that he would be curious to know what amount of that \$1290 actually came back to the Town, as it seemed that local municipalities appeared to receive only about 2.5% of the fine total.

Mr. Billado asked about the Emergency Management binders, and Chief Stell replied that he was working with Mr. Jescavage to compile those. His goal was to create a comprehensive emergency action plan for every emergency responder and for the town clerk. This information would be excluded from public information, and would be updated once a year.

### **b) Road Weight Limit Ordinance Update**

Chief Stell said that he had forgotten about it, but would resurrect it. He anticipated completing it by June or July, adding that most road limits were enforceable now, and many would stay at the same or similar limits.

## **7. Highway Department**

### **a) New Truck Update – Tabled.**

### **b) General Updates – Tabled.**

### **c) Road Updates**

Mr. Lavoie said that he had received a phone call from Wesley Decker, requesting that the highway crew working on the Hazard Road smooth out the Decker Trail while the grader was in the area. He added that someone else had inquired about smoothing out the Penell Road as well, which was in the same area. The Selectboard agreed unanimously to do so.

The time invested would be minimal and it was a “neighborly thing to do.” Mrs. Fournier reported that the signs commemorating a fatality on Woods Hill Road, in the Hungerford Brook area, had been received and would be installed tomorrow.

### **d) Equipment Updates – Tabled.**

### **e) Department Updates – Tabled.**

### **f) Other Updates – Tabled.**

### **8. Correspondence**

Mr. Jescavage said that he had received a phone call from a woman on Route 7, who wished for the town to re-install a recently removed street light on the property across from her. Mr. Thompson made a motion, seconded by Mr. Guilmette, to deny the request. Motion carried.

Mr. Jescavage read a thank you card from the 2015 MVU Substance-Free Graduation Committee, thanking the Town for its donation. Mr. Jescavage read a thank you card from the Franklin Grand Isle Bookmobile Team, thanking the Town for participating in Big Rig Day.

Mr. Jescavage introduced Mr. Matt Preedom from the St. Albans Messenger. Mr. Billado said that he appreciated the fact that Mr. Preedom came to watch a normal Town meeting, rather than only the meetings centered on controversial topics. The Selectboard thanked Mr. Preedom for his interest and presence.
